2. I will pay the minimum monthly charge for the service connections from the time service is made available by the City of Laurie and pay for usages over the minimum as set out in the Rate Schedule Ordinances adopted by the Board of Alderman.

3. The Laurie Public Works Department will read the water meters monthly, either physically or by estimate. A service bill for service used shall be rendered by the Public Works Department on or before the 5th day of the month following the month in which the service is used, and the undersigned agrees to pay said service bill on or before the 15th day of the month in which the bill is rendered or be subject to a late charge of TEN PERCENT (10%). Each meter service shall supply water to only one residence or business establishment located within the jurisdiction of the City of Laurie.

5. If, after water and/or sewer service is made available, the same is discontinued or disconnected for any purpose, pursuant to the Use Ordinances or Rate Schedule

Ordinances of the City of Laurie, reconnection shall only be made upon the conditions set out by these ordinances.

6. The undersigned agrees that he/she will make no physical connection between any private water and/or sewer system and the water or sewer system of the City of Laurie. Representatives of the Public Works Department may at any reasonable time come on the premises where the water or sewer service is being used for the purpose of making inspection to enforce this provision. Violation of this provision shall be grounds for disconnection of service.
7. The laws of the State of Missouri, the ordinances of the City of Laurie regulating water and sewer usage as presently existing, and as may be amended from time to time, are made a part of this agreement as though fully set out herein.
8. The undersigned agrees that he/she will grant an easement to the City of Laurie for lines and all appurtenances used for the transmissions of water and sewage over, under and across any interest he/she may have in real property in consideration for the City of Laurie accepting this application.
